Manual of Procedures

Preface

This Manual of Procedures was first developed in 1989 to help a growing Birmingham Monthly Meeting continue operating efficiently and comfortably, thereby enabling the Meeting to concentrate on its primary mission - the spiritual welfare of its members. Specifically, the manual is designed to assist meeting members in the orderly process of selecting officers, committee members, and those appointed to special assignments, as well as to inform all members about the principles and practices which govern the day-to-day operation of the Meeting's business.

The contents presented herein are based upon the work of earlier Nominating Committees, the By-Laws as amended, Meeting actions recorded historically in various minutes of the Meeting for Business, and the policies of the Quarterly and Yearly Meetings. These procedures should be reviewed periodically and revised if and when needed.

Copies of this manual should be made available to all committee clerks and be passed on to their successors.

Approved by Monthly Meeting on July 6th, 2014.

Manual of Procedures

I Officers and Committees

According to the By-laws of the Birmingham Monthly Meeting, the following officer positions have been approved for administering the affairs of the Monthly Meeting.

Clerk	Treasurer	Recording Clerk	Recorder
Assistant Clerk	Assistant Treasurer	Assistant Recording Clerk	

The By-Laws recognize two kinds of committees on which members of the Monthly Meeting may serve: *standing* and other committees such as *ad hoc committees* and *working groups*. The Monthly Meeting has approved the following standing committees listed below with the suggested numbers of members:

Oversight and Pastoral Care	(9)	Fellowship	(6)
Worship and Ministry	(9)	Peace and Social Concerns	(7)
Religious Education	(9)	Memorial	(4)
Youth Committee	(Yearly)	Finance	(6)
Property	(9)	Nominating	(6)

Ad hoc committees designed to serve special and temporary purposes are created from time to time as business of the Meeting requires. Examples of such committees have been the Kitchen Remodeling and Futures Committees.

Working groups have narrowly defined purposes. Examples are the Library and Music Committees.

In addition, the Monthly Meeting has approved certain individual assignments necessary for operating the Meeting and maintaining on-going links to the Quarterly and Yearly Meetings and with other religious groups and community organizations.

II Operating Guidelines for Member Assignments

Over the years both formal and informal guidelines have been developed by the Meeting to provide continuity for the selection and tenure of Members to positions of responsibility within the Monthly Meeting. This section provides the most recently approved set of guidelines for this purpose.

A. Officers

1. The Clerk and Assistant Clerk serve two-year parallel terms. The Clerk is eligible to serve additional terms provided two years have elapsed between terms. Service as Assistant Clerk is considered in part to be preparation for the assumption of the role of Clerk (By-Laws).
2. The Treasurer is ex-officio a member of the Finance Committee.
3. All other officers serve year to year until a successor is selected (By-Laws).
4. All officers are appointed by the Annual Meeting of the Monthly Meeting membership in June (By-Laws).

B. Nominating Committee

1. Members of the Nominating Committee are selected by the clerks of the standing committees no later than May. It is the responsibility of the Meeting Clerk to gather the clerks for this purpose (MM Minutes).
2. Service on the Nominating Committee is limited to two three-year terms (MM Minutes).
3. The Nominating Committee recommends nominations for all vacant assignments - all offic-

ers, members of standing committees, and members selected for special assignments. A complete list of recommendations is presented to Monthly Meeting for approval in June (By Laws).

C. Other Standing Committees

1. All standing committee members (except members of the Memorial Committee and Youth Committee) serve three-year terms, to be set up on an overlapping rotating basis according to committee size (MM minutes).
2. Initially, no member is to serve more than two consecutive three-year terms. After a one-year leave, a member would be eligible for two additional three-year terms (MM minutes).
3. All members of the Meeting are urged to serve on at least one committee but not more than two, thereby permitting as many members as possible to assume this important responsibility (current practice).
4. Committees, except Oversight & Pastoral Care and Worship & Ministry, may also include attenders, who may serve as clerks with Meeting approval (MM minutes).
5. From time to time, committees may also include co-opted members who serve temporarily (MM minutes).
6. Members selected to fill committee and special assignment vacancies must be presented to the Monthly Meeting for approval in June (By-Laws).
7. Committee clerks are chosen by their committees during May and may be re-appointed. It is the responsibility of the out-going clerk to call a meeting for the purpose of reorganization (MM Minutes).
8. The Meeting encourages all committees to have a representative attend the Monthly Meeting for Business (MM Minutes).

D. Ad hoc Committees and Special Assignments

1. Members of an ad hoc committee serve until the purpose of the committee is fulfilled. Such members are selected by the clerk of the committee with the approval of the Monthly Meeting (past practice). For the titles of current ad hoc committees refer to the yearly list of committee memberships prepared by the Nominating Committee.
2. The Special Assignments approved by the Meeting are grouped into four categories: (a.) the Meeting; (b.) Concord Quarter; (c.) Yearly Meeting; and (d.) West Chester area. For specific assignments also refer to the Nominating Committee list.

Manual of Procedures

VI Capital and Preservation Fund Policies and Guidelines

Approved by BMM 11/4/2007

Approved by BMM 10/07/18

Purpose:

The Capital and Preservation Fund exists to pay for long-term capital improvements (not annual or operating expenses) of Birmingham Monthly Meeting's (BMM) physical property, such as buildings, systems and exterior structures (e.g., walls). Because these assets have a useful life of multiple years and tend to be costly to repair or replace, the funding should not be included in the current year's operating expenses. Examples of capital expenses would be the replacement of the meetinghouse's HVAC system, carpeting or roof.

Process:

The Finance Committee will work with the Property Committee to calculate a recommended annual contribution to the Capital and Preservation Fund for the Meeting's annual budget. The Property Committee will keep records of capital expenditures and anticipated needs both near- and long-term and provide guidance on anticipated replacement costs and estimated lifetime of capital improvement items. This information will be used by the Property Committee to update the Capital and Preservation Fund forecast as needed.

Criteria:

In order for an item to be budgeted and paid for by the Capital and Preservation Fund, both of the following criteria must apply:

- Item(s) shall have a useful life of ten (10) or more years (i.e., long term); and
- Item(s) shall have a replacement value of one thousand dollars \$ 1,000 or greater.

The Meeting should be cautious not to shift large or unusual expenditures that do not meet the above criteria to the Capital and Preservation Fund, such as standard tree care and HVAC system maintenance. This will result in understating the annual operating expenses and considerable depletion of the Capital and Preservation Fund. Likewise, the Meeting may choose to distinguish between existing items or systems to be repaired and replaced versus those which the meeting decides to add as upgrades or improvements and utilize additional funding sources. For example, when the meeting added air conditioning, remodeled the kitchen and improved accessibility at the entrances, the cost to the Capital and Preservation Fund was offset in part by bequests, gifts and grants.

Expenditure Quotes:

For any Capital and Preservation Fund expenditure, three written or published quotes should be obtained and evaluated by the BMM Property Committee. An exception may only be made if there are extenuating circumstances, or if the vendor or contractor has already been used as cost effective and qualified. In any case, the person selecting and authorizing the expenditure shall be able to verify his/her efforts to purchase responsibly for the meeting.

Manual of Procedures
